## Memorandum

To: District Directors and Chiefs  
From: Medical Advisory Subcommittee  
Date: June 12, 2009  
RE: X-collar

The Medical Advisory recently reviewed the X-collar product, and strongly recommends it as an alternative to our current collars.

***E. X-Collar: The Cervical Splint - Recommendation***

The group discussed the device and agreed it is a good product and recommend it as an improvement to our current collars. **Motion by VanDinter, seconded by Martin to recommend the X-Collar. Motion carried.**

The Clinical study that was reviewed by the subcommittee is available through PREHOSPITAL EMERGENCY CARE 2009;13:256-260.
